Under French customs law, only the registered owner of the car, direct ascendants, descendants or spouses may drive the car. This law has no effect on the vehicle insurance, which covers all drivers regardless of the relationship to the registered owner.

Driving Licence: The driver must be 18 years of age and hold a full driving licence (no maximum age applies). Renault Eurodrive suggests the acquisition of an International Driving Licence.

Collection of Car: Documentation Required: 1. Passport; 2. Drivers Licence; 3. Blue copy of Eurodrive contract. Insurance documents will be issued upon delivery of the vehicle. **All vehicles are supplied left hand drive and fitted with all-weather tyres.**

– When driving in Winter its the responsibility of each driver to respect the legal requirements in place in each European country visited.

– Our insurance cover remains the same regardless of whether the car is equipped with snow tyres or not.

– If you decide to purchase your own snow tyres you must return the car with its original all-weather tyres, otherwise you will be billed for them.

Fuel: All vehicles, delivered outside Paris centre, will be supplied with 10 litres of fuel.

Booking Deposit: A non refundable booking deposit of \$250 is required at the time of placing your reservation. Bookings made within 30 days of the collection date will attract a \$50 late booking fee and full payment required.

Final Payment: Your order should be completed and final payment is due in full by 31st March 2010. Late return of lease forms will delay the delivery of your vehicle. For bookings within six weeks of collection, please contact our office.

Period of Use: Vehicles delivered from Paris Centre can be registered for a maximum of 175 days. Vehicles delivered from Paris Airports can be registered for a maximum of 170 days. Vehicles delivered at other centres and airports can be registered for a maximum of 160 days. Vehicles delivered at London, Munich, Santiago, Vigo and Zurich can be registered for a maximum of 155 days.

Please Note: Days are calculated on calendar days, not 24 hour periods. **All vehicles are manual transmission unless otherwise noted.**

Refunds: No refunds will be paid for the early return of vehicle.

Deliveries and Returns: Deliveries and returns within France are free, however charges are applicable to other European cities. Please contact our office for full depot details.

Returns: The return of a vehicle to a centre other than that indicated on the customer's Eurodrive contract will result in additional charges to the customer.

What are the Additional Costs: The Renault Eurodrive Program is a tax free sale with buy back agreement. After you pay for your lease in your home country, your only other costs are petrol/diesel. Tolls and Motorway charges are not included.

Safety Kit: Mandatory safety jacket and triangle are included in all Renault Eurodrive lease vehicles.

Servicing Costs: As with any vehicle, service costs are the responsibility of the owner of the vehicle. The Renault 2010 model range require their first service between 20,000 and 30,000 kms (see model specifications).

Extension of Contract Period: While travelling you can arrange an extension by contacting Renault DVSE Paris.

Extensions will be calculated using DVSE tariff rates and can be as much as double pre-booked rates. Notice of intention to extend must be given at least 2 weeks prior to the expiry date of the original period, and should include a return address so that updated insurance papers can be forwarded to you. If the extension is not paid for, the vehicle will only be insured for the initial period.

Promissory Note/Draft: Upon receiving your vehicle you will be required to sign a draft to the order of Renault DVSE, equal to the difference between the total price of the delivered vehicle and the amount for the actual use of the vehicle. At the end of the contract the customer may keep the vehicle permanently, in which case Renault DVSE will request a cheque for the said amount from the customer, OR return the vehicle to the centre nominated on the order form.

Cancellation: An administration charge of \$100 in addition to the set cancellation fees will be applied upon the cancellation of a confirmed booking within six weeks of the collection date. These Additional fees may be as high as \$1000.00 to cover costs such as registration, insurance, customs compliance, transportation and any other administration costs which have been incurred in the processing of the booking. For full details please check with our office.
